

Earning Badges

Badges can be earned for a variety of fundraising, on-mountain and other activities. You will need the Stratton24 event app in order to see the badges you've received (along with other results). Details on accessing the event app will be provided in the week prior to the event.

Once you're in the app, tap the Achievements Icon in the upper right to see what badges you have earned to date.

Here are some of the badges that can be earned (a few others may show up in the app as a surprise):
